

INVITATION:

Join the group! The CABEC Members' Online Forum has been launched

Hello CABEC Member,

We have exciting news! You, as members of CABEC, are important to the cause of energy efficiency and conservation in California. We recognize that this has become increasingly complex (and often times frustrating), and we all could use a little help from other professionals at times.

Jeff Pollock, CABEC's Chair of the Board for the past two years, and the Board of Directors, would like to announce that the CABEC Members' Online Forum has officially been launched.

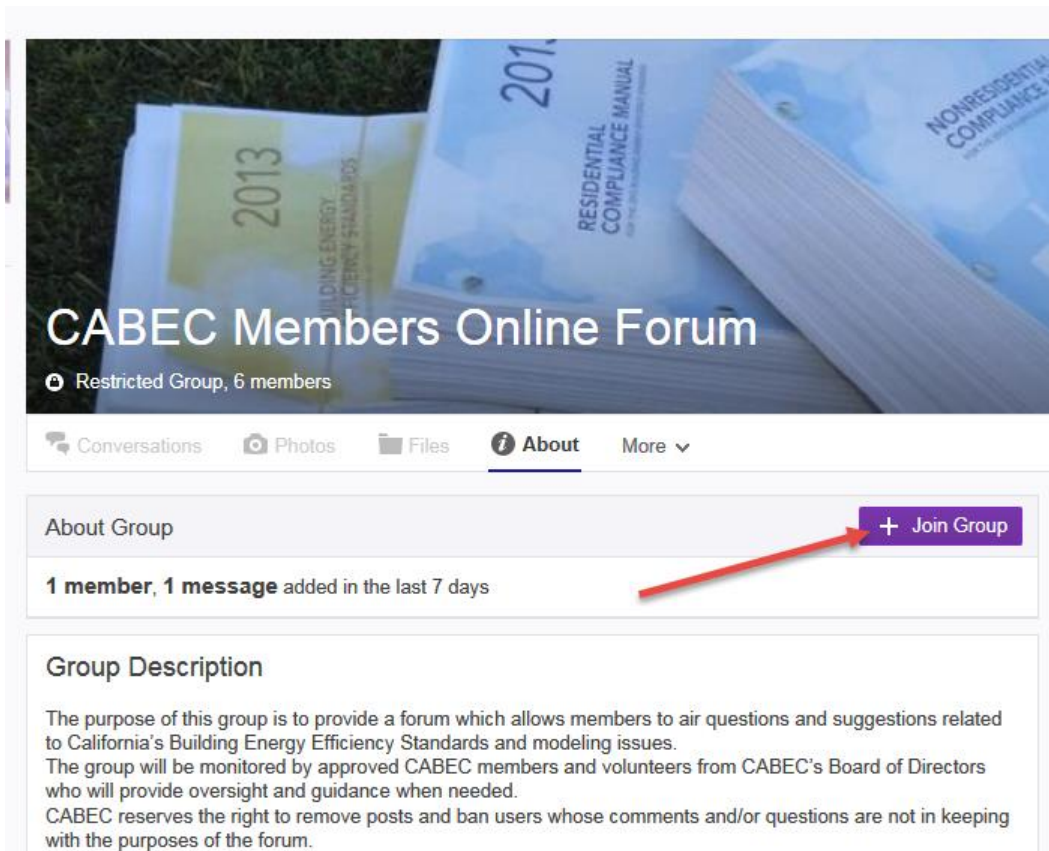

The purpose of this forum is to provide our members with a place for you to air your questions and constructively collaborate with your peers about issues related to compliance work related to California's Building Energy Efficiency Standards.

To join, open your browser, and enter <https://groups.yahoo.com/neo>

When the page opens, type cabec_forum in the box next to "Yahoo! Groups".

Once that page is open, click the blue link (CABEC_forum), then Join Group.

The screenshot shows the Yahoo! Groups search interface. At the top, there is a navigation bar with links for Home, Mail, Search, News, Sports, Finance, Weather, Games, Answers, and Screen. Below this is the 'YAHOO! GROUPS' logo and a search bar containing the text 'cabec_forum'. To the right of the search bar is a 'Search Groups' button. On the left side, there is a promotional banner for a personalized news stream with a 'Get the App' button. Below the banner, there are links for 'Browse Groups', 'Terms', 'Privacy', 'Guidelines', 'Feedback', and 'Help'. The main search results area shows a single result for 'CABEC_forum'. The result includes a group icon, the group name 'CABEC_forum', a description: 'The purpose of this group is to provide a forum which allows members to air questions and suggestions related to California's Building Energy Efficiency', and statistics: '6 members • Last activity Jan 11'. A red arrow points from the search bar to the group name.

Please give the primary administrator a little time to approve your membership in this group - the group will be monitored by approved CABEC members and volunteers from CABEC's Board of Directors who will provide oversight and guidance when needed. CABEC also reserves the right to remove posts and ban users whose comments and/or questions are not in keeping with the purposes of the group discussions.

Enjoy the forum!
